Collaborate for Measurable Impact

Alex Huang

Alex has been a superstar from day 1 on a fast-paced program of work. He has been able to exhibit exceptional learning skills & adapt well to changing program needs. He was great support for functional team during the workshops & helped with project deliverables. He collaborates well with Functional Lead & offshore team to ensure he is getting the stories finished on time & a good/healthy sprint velocity is maintained.
Keep up the great work Alex - its been awesome having you in the team!
